Greeting

The 7th World Comic artist Conference to present the vision for the future of the international comics industry and respond to the world comic trend will be held at the Bucheon city, the cartoon city.

21st Century is an era of the globalization. As the center field of the information and friendship exchange of the world comic artist, the 7th World Comic artist Conference will be held from 30th Sept. to 3rd Oct. and it will be a great opportunity to explore the new ways for the further development of the comics.

Moreover, the 7th World Comic artist Conference opens forums and lectures under the concept of 'Friendship and Peace' to discuss the world's common interests. Variety of networking events will promote friendship between the world comic artists and it will be a significant scene to find out about the power and the beauty of the comics.

The Int'l Comic book Fair of the 'The 8th Bucheon Int'l Comics Festival' and the BPP(Bucheon Project Promotion) will be an great opportunity to seek for the growth of the publishing comics.

Look forward for a festival of the world comic artists and a beautiful meeting of the art and the friendship.

Best regards,

Chief of the Organizing Committee
